

Pregnancy Care Center

SENATE JUDICIARY

Exhibit No. 7
Date: 3/25/15
Bill No. HB S87

3-25-15

Chairman, members of the Committee, I'm Bonnie Mitchell, CEO of Echoz Pregnancy Care Center in Great Falls.

We are accredited with the Accreditation Association of Ambulatory Health Care (AAAHC).

Accreditation has caused us to raise our standard of care and we are a health care leader in our community.

Only the top 10% of all medical practices nationwide are accredited.

We voluntarily went through this process because we so strongly believe the women in Montana deserve the highest quality Health Care possible.

As a professional working in the Woman's Health Care Industry that specializes in offering free pregnancy related medical services, and for these reasons already spoken here this morning, I urge you to support this bill.

Thank you!
